

## Raven Bringing Light to the World

**Date**

1984

**Primary Maker**

Davidson, Robert

**Medium**

red cedar

**Description**

Large convex, disc-shaped carving of a human-like face. Surrounding the face and forming the flat perimeter of the carving is a relief carving of the Raven, including the

head, claws, wings, and tail. The back of the carving is hollowed out and a wooden brace is attached for hanging.

**Dimensions**

Overall: 122 x 122 x 40.6 cm
