Description

Black and white photograph of Sitka deer. They have been introduced at various times in the Islands. Archdeacon W. H. Collinson is reported to have introduced 6-8 in 1876-77 but are reported to have found their way to the stewpot. Successful introductions were made in 1901, 1910, 1912, and 1925.

Dimensions

20.5 × 20.5 cm (8 1/16 × 8 1/16 in.)
