### Description

Coloured photo taken in Skidegate of a memorial totem pole. This memorial totem pole has an eagle situated on the top with seven rings below the eagle and on the very bottom the crest is of a beaver. This pole is situated in front of a white two story house with a red roof. There is a rocky beach in front of the pole and behind the house are many trees

### Dimensions

11.5 × 7 cm (4 1/2 × 2 3/4 in.)
