## Bentwood Box with Cedar Rope

### Date

c. 1901

### Medium

red cedar, paint

### Description

box with lid, with cedar bark rope. box, of red cedar, consists of a plank kerfed in 3 places and bent, the ends being joined with wooden pegs to form a fourth corner. cedar base is pegged to walls. cover, hollowed in the centre and notched at the edge, fits on snugly. it is wider at the top. box is decorated with red brown and black

designs: the double eyed monster to the right of the joined corner, a simpler figure opposite, and a bird on each side which faces right. the more abstract figures are bilaterally symmetric. box and lid are tied with 2 ply cedar rope. probably used for storage.

### Dimensions

Other: 43.5 × 30.2 × 32.7 cm (17 1/8 × 11 7/8 × 12 7/8 in.)
