## Oval Cedar Bark Basket

### Date

c. 1900

### Medium

spruce root, cedar bark, dyed cedar bark

### Description

oval basket with double cedar bark warps with alternating z twined 2 ply spruce root and a passive cedar bark weft. basket has radial twined start. decorated with vertical bands of dark cedar bark and horizontal bands of brown spruce root. basket has a long handle of twisted and woven cedar bark. under rim, warps are crossed once. warps turned back one to the left at rim and secured with a single row of twining. by the looks of it, it is all spruce root, not cedar.(?)

### Dimensions

Other: 12.8 × 14 × 19 cm (5 1/16 × 5 1/2 × 7 1/2 in.)
